OCTOBER 2024

Our School Vision

Future-Ready Learners, Leaders of Character

Our School Mission

Nurturing Every Child in a Vibrant and Caring Environment where Talents Blossom

Celebrating our Children

Dear Parents,

Every child is a gift – to the family, the community and the nation. Each of them presents to us their unique talents and strengths and collectively, they hold our shared dreams and hope for our future.

We will celebrate our children in Junyuan Primary this Children's Day with the theme "See me, Hear me, Know me". It is a call to discover each child as they are, and to develop them by bringing out from within each of them the gifts that they are endowed with. It is also a challenge for each of them to inspire their friends to grow and to glow. We believe our children can be positive role models to their peers, to speak up for what is right, and to be the voice for those who need help.

Thank you, parents for your partnership with us as we nurture our children to be Future-Ready Learners and Leaders of Character.

Best regards

Weng Cheong, Audrea and William

"The child must know that he/she is a miracle, that since the beginning of the world there hasn't been and until the end of the world there will not be another child like him/her."

Pablo Casals

This year, Children's Day in Singapore is celebrated on Thursday, 3 October 2024. It is specially arranged to be on a Thursday so that the celebration can be extended into the weekend.

Our children are indeed precious, and we strongly encourage all parents/guardians to support and affirm their children on this special day.

END-OF-YEAR EXAMINATION (EYE) MATTERS

Absence from Examinations

If a student is absent for any paper or subject during the examinations, his/her absence will need to be supported with a [Medical Certificate](#) from the doctor. Letters from parents with [official supporting documents](#) will be accepted as valid reasons for absence.

We appeal to parents to exercise social responsibility and refrain from sending your child to school if he/she is unwell or has been certified by a doctor to be unfit for attendance in school. A child who is unwell will not perform at his/her best.

P5 OUTDOOR ADVENTURE LEARNING (OAL) CAMP (RESIDENTIAL)

As part of our students' Outdoor Education curriculum and Key Student Development Experiences, our Primary 5 students will be having their Outdoor Adventure Learning (OAL) Camp 2024 (Residential/Overnight) from 14 to 16 Oct 2024 (during PSLE marking days).

P5 OAL Cohort Camps are part of the Student Development Experiences (SDEs) to provide hands-on experience for students to apply what they have learnt in Outdoor Education in PE.

Objective of P5 OAL activities:

- Build their confidence and resilience in facing challenges
- Enabling them to value diversity through in-depth interaction opportunities and working in teams
- Forging camaraderie with others through common challenging experiences
- Laying a foundation for active and healthy living
- Build resilience through outdoor living

Activities:

P5 students will participate in a carefully designed 3-part outdoor learning activities package to challenge themselves. The activities reinforce the students' learning of Outdoor skills in PE and developing of Social Emotional Learning (SEL) competencies such as relationship management and self-awareness.

- Outdoor Education skills (first aid skill, orienteering etc)
- Outdoor Adventure (Challenge rope course etc)
- Teambuilding activities
