JYPS BULLETIN FOR PARENTS

FEBRUARY 2025

Dear Parents / Guardians,

1. Total Defence Day Commemoration

Singapore marks Total Defence Day (TDD) on Feb 15 every year. It is the date Singapore fell to the Japanese in 1942. This year, TDD is commemorated national wide on Monday, 17 Feb. Total Defence Day reminds us that resilience and the ability to be prepared for and overcome crises and challenges are a key part of who we are as Singaporeans. To encourage students to develop and value this resilience, schools can participate in the nationwide Exercise SG Ready (ESR25).

As part of our school's commemoration of Total Defence Day and participation in Exercise SG Ready 2025, our students will experience a power disruption simulation. This disruption exercise aims to prepare students for potential disruptions to our power supply (e.g., due to supply chain disruptions), given Singapore's reliance on fuel imports. In such a situation, electricity may have to be prioritised for more critical areas, and households and organisations, including schools, may have to endure disruptions in their power supply. Following the exercise, students will reflect on their experience and share their thoughts and feelings with their classmates through a guided discussion. More information about this exercise will be shared through PG nearer Total Defence Day Commemoration.

2. Chinese New Year Celebrations

Students will participate in CNY festive celebrations on Tuesday, 28 January 2025, which include concert programme and classroom activities. Students will be dismissed at 10.30am on that day.

Students celebrating CNY are encouraged to come to school dressed in Chinese ethnic attire. Do note that with the ethnic attire, hair accessories must still be in accordance with school rules and school shoes and socks must be worn.

3. P2 – P6 Curriculum Briefing

Thank you for taking the time to attend the 2025 P2 – P6 Curriculum Briefing from 20 to 24 January. The Curriculum Briefing slides will be available on the school website (<https://www.junyuanpri.moe.edu.sg/parents-portal/Downloads-and-Links/>) from 29 January to 28 February. Let us work together to bring about the joy of learning in our children.

4. Empowering a Safe and Resilient Online Community

Safer Internet Day is an annual global initiative which aims to promote safer and more responsible use of online technology and mobile devices among children and young people.

This year, Safer Internet Day falls on 11 February 2025, with the theme “Empowering a Safe and Resilient Online Community”. In line with this theme, the school has planned recess activities that emphasise the importance of thinking critically about our online interactions and making informed decisions to protect ourselves and others in the digital space.

The school will be encouraging students to take a pledge during Safer Internet Month to show their commitment to building positive habits online and making the Internet a safer space for everyone.

As our key partners in ensuring your child's online safety, your commitment to building a safe and resilient online community is essential. We invite you to join us in taking a pledge. More information will be provided to parents at a later date via your child.

Additionally, we encourage you to explore the following online safety resources available on IMDA's Digital for Life portal. These resources provide offer valuable information on navigating the online realm alongside your child:
