The **Screening** exercise for P3 Junyuan Primary students will be held in school during curriculum time on **Thursday 15 August 2024**. Pupils will be asked to work on English Language and Mathematics questions at the following times:

English Language : 8.45 a.m. – 10.00 a.m. (1 hr 15 min)
Mathematics : 11.00 a.m. – 12.15 p.m. (1 hr 15 min)

School hours on 15 August 2024 are as usual as it is a normal school day for all other levels.

Pupils' participation in the Screening exercise is not compulsory; however, we encourage you to allow your child to take part. Pupils will be given a recess break in between the English and Mathematics papers.

Pupils who are shortlisted to participate in the **Selection** exercise will be informed through the school in early October. The Selection exercise will be held on **15 and 16 October 2024**. Shortlisted pupils who are interested should make themselves available on both days.

MOE EDUSAVE CHARACTER AWARD (ECHA) 2024

MOE introduced the ECHA in 2012 to enable schools to recognise students who demonstrate exemplary character and outstanding personal qualities through their behaviour and actions. The award also supports schools' continuing efforts in nurturing students of good values and character, who are active contributors and concerned citizens. ECHA is awarded for students' real-life demonstration of character and good values in the year of the award.

ECHA Nomination Criteria:

- Student must be a Singapore Citizen;
- Demonstrate exemplary and consistent behaviour;
- Possess a high level of civic responsibility and/or qualities associated with resilience.

We have formulated a rigorous, robust, and fair selection process based on the guidelines and criteria provided by MOE. The 4 main stages in the selection process are

- (i) nomination;
- (ii) shortlisting of nominees by level teachers;
- (iii) selection of the final awardees by a panel headed by the Principal;
- (iv) endorsement by the Principal and representatives from key stakeholders.

In addition to the MOE Edusave Character Award, the school will continue to recognise students who are good role models with school-based awards such as the **JYPS Character Award**. These awardees will be selected based on similar criteria for ECHA and would include non-Singaporeans.

As our key partner-in-education, we invite you to nominate suitable students for ECHA. You may nominate online via <https://go.gov.sg/jypsecha2024>.

This link is also available in our school website. Nominations will open from Thursday, 1 August 2024 to Friday, 30 August 2024.

PRIMARY 3 SOCIAL EMOTIONAL WORKSHOP 2024 - FOSTERING AND STRENGTHENING PEER RELATIONSHIPS

Fostering peer relationships among students is essential because it enhances their social, emotional, and academic development. Positive peer interactions help students develop critical interpersonal skills, such as communication, empathy, and teamwork, which are crucial for personal and professional success. Hence, this workshop aims to:

1. provide opportunities for Primary 3 students to strengthen communication, problem solving and conflict resolution skills in a group setting.
2. allow them to experience positive interactions with their peers.
3. strengthen peer-to-peer relations.

School hours on 28 August 2024 are as usual as it is a normal school day for all other levels.
