JANUARY 2024

Our School Vision

Future-Ready Learners, Leaders of Character

Our School Mission

Nurturing Every Child in a Vibrant and Caring Environment where Talents Blossom

Principal's Message 2024

Welcome to Junyuan Primary School!

We celebrated our 35th anniversary last year and as we take time to reflect on this milestone, we can truly be grateful for the shared experiences of every member of our school's community.

Over the past few years, we needed to learn many new things, unlearn some old habits, and relearn some age-old wisdom and attitudes. These lessons are gifts that have shaped and taught us as a school community to better guide and teach our students to embrace the exciting opportunities that the post pandemic future holds for them. They also affirmed that certain fundamentals like nurturing good character and supporting students with caring relationships will not change, no matter what.

We have also been trying different ways to teach and to learn, some of which nudged by the challenges of the pandemic, as well as adding new learning spaces to enhance our schooling experiences. Together, we are seeing possibilities of what we can do as we guide our students into the future of learning.

Let's help them imagine who they can be and what they can do as they learn and discover themselves and the world around them. Let them dare dream of an exciting and fulfilling future for themselves and the world they will inherit.

Let's help them dare to try and find different ways to try again if they were to fail the first, second and perhaps even the third time.

Let's help them to dare contribute and give to the family, the community, and the nation for a better future for all of us!

Wishing you a fruitful year in 2024!

Chan Weng Cheong
Principal

SCHOOL SAFETY AND SECURITY REMINDERS

The school places great emphasis on school safety & security especially as the school undergoes upgrading this year. We seek parents' cooperation in the following ways:

- Take note of the opening times of the gates and adhere to security screening if you are visiting the school or dropping your child off at the gates.
- Display the "Drop-Off" Car Label prominently and drive slowly if you are entering the school compound to drop off your child. You can apply for the "Drop-Off" label [online](#).
- If you are planning to meet your child's teacher, please make an appointment by calling beforehand or through email. As teachers have lessons, CCAs and programmes to see to, they may be unavailable if you drop by without an appointment. Once the appointment is fixed, please enter only via Side Gate 1 and sign in at the security post. Ensure that you put on the Visitor's Pass while on the school grounds. Please report to the General Office (GO) to meet the teacher/staff. Do return the pass at the security post before you leave.
- Parents who wish to fetch their child early must report to the GO to sign their child out.
- Students are encouraged to bring only necessary stationery items to school. **NO** scissors, penknives or any sharp objects are to be brought to school.

UNWELL STUDENTS & MAINTAINING GOOD HYGIENE PRACTICES

In our continued efforts to safeguard the well-being of all our students and staff, please keep your child at home should he/she be unwell and adhere to the rest period given by the doctor, especially if he/she has Acute Respiratory Infection (ARI) symptoms or a communicable disease such as Hand-Foot-Mouth (HFMD), Chicken Pox or Gastroenteritis. **He/she should only return to school once he / she is fully well / COVID-19 ART test outcome is negative.**

We would also like to remind your child to maintain good hygiene practices:

- No sharing of food / cutlery / straws, etc.
- Washing his/her hands with soap and water before and after meals, after play / using the washroom.
- Covering his/her mouth and nose when he/she coughs and sneezes.
- Do inform the school soonest possible should your child come down with cough / runny nose / sore throat / flu-like symptom or a contagious / infectious disease.
- Should you want your child to return to school earlier than the given MC date, please do take him/her to the doctor again to certify that he/she is well to attend school.

PHOTO-TAKING FOR STUDENTS' SCHOOL SMART CARDS 2024

MOE will be conducting the yearly photo-taking exercise for all **P1 and P6** students for the issue of the School Smart Cards (SSC) on **Wed 17 Jan** (during curriculum hours).
