Supporting your child in MTL Learning

Cultivate the love of reading MTL books, e.g. visit the library or borrow e-books

Encourage them to take small steps in learning MTL, e.g. read signs, listen to music

Do fun activities in MTL together, e.g. watch a film or performance

Provide a conducive environment for learning MTL, e.g. access to MTL music and books

Primary 4 Curriculum Briefing 2024 - Frequently Asked Questions

Q: When will Higher Mother Tongue be included in examinations?

A: Higher Mother Languages (HMT) will be included in weighted assessments and examinations at Primary 5 and Primary 6. On top of the standard Mother Tongue papers, HMT students will have to sit for HMT Paper 1 and Paper 2 for their P5 End of Year Exams, P6 Preliminary Exams & PSLE.

At Primary 3 and 4, HMT is not included in weighted assessments and End of Year Exams. Remarks on student's performance in HMT will be given through the Holistic Development Profile in the report book. It will be printed and given to parents at the end of Term 4.

Primary 4 Curriculum Briefing 2024 - Frequently Asked Questions

Q: How does HCL contribute to the PSLE score in Primary 6?

A: For PSLE scoring, students who obtained Distinction/Merit/Pass in HCL and a PSLE Score of 14 or better will be eligible for posting advantage to SAP schools. If multiple students with the same PSLE score apply for places in the same SAP school, those with better HCL grades will be allocated a place ahead of other students.

For more information, parents could visit the MOE micro-site:

https://www.moe.gov.sg/microsites/psle-fsbb/psle/new-psle-scoring-system.html

Primary 4 Curriculum Briefing 2024 - Frequently Asked Questions

Q: Is the Moo-O tool for reading available on JYPS student's links for self-directed learning at home?

A: Moo-O is an app that can be downloaded from Apple's App Store or Google's Playstore. Parents could download the app into your home devices to let your child use it for self-directed reading aloud.
The log in details will be given to your child later in Term 1.
As Moo-O is not web-based, there is no available link in the JYPS student's page.

Primary 4 Curriculum Briefing 2024 - Frequently Asked Questions

Q: Can past year MTL worksheets and textbooks be discarded?

A: As students will be tested on the language knowledge and skills learnt in their 6 years of primary education during PSLE, it is advisable to keep MTL notes and textbooks for revision purposes from Primary 4 onwards.
